Global Comment Overall Conclusion

The factory was founded on Aug 24, 2009, and located at (Huainan Industry Zone), Beiyuan Section of Binhe Avenue, Dongzhang Town, Yuanshi County, Shijiazhuang, Hebei, China. The main products were Knitted towel and bath towel etc. There were 52 employees in the factory.

The factory had established relevant quality policy, objectives, manual, procedures and instructions according to ISO9001:2015 principle.

Based on site observation, the general condition of factory was acceptable. The main processes: weaving, dyeing (subcontracted), cutting, embroidery (if necessary, subcontracted), sewing, inspection and packing. Based on on-site observation and management interview, there were two subcontractors in factory.

The factory showed cooperated with this audit and auditor could conduct onsite observation, documents review and interview with workers and managements. During interview, most workers showed an open attitude and most of them are familiar with their work requirements in general, the factory established an effective quality system and implemented it at acceptable level.

The management of factory agreed to take corrective actions and improve these findings.
